CANCEL NEXT

4. Fill out the Additional Fields section.
 - a. Country
 - b. Company
 - c. State/Province
 - d. Role
 - e. Title
 - f. Click REGISTER

The screenshot shows a 'Register' window with a close button (X) in the top right. Below the title, it says 'Existing Calix Customers log in through My Calix.' There are two progress indicators: '1 User Profile' (checked) and '2 Additional Fields' (active). The form contains several fields: 'Country* (Required)' with a dropdown menu showing 'UNITED STATES OF AMERICA'; 'Company* (Required)' with a dropdown menu showing 'Hill Valley Tel'; 'State/Province* (Required)' with a dropdown menu showing 'TX'; 'Role' with a dropdown menu showing 'Engineer'; and 'Title' with a text input field containing 'Sr. Engineer'. At the bottom left, it says 'Already registered? [Sign In](#)'. At the bottom, there are three buttons: 'PREVIOUS', 'CANCEL', and 'REGISTER'.

5. Confirm your registration. Look for an email with a verification link and click the link. Check your spam folder if you do not see the email in your inbox.

6. After clicking the registration link from the email, click the sign-in link. You can also return to <https://learn.calix.com/broadbandacademy> and click the sign-in button in the top right corner of the page.

Enroll in a Course

For the best learning experience, please take a moment to register before enrolling. Once you are signed in to Broadband Academy, click the course.

The screenshot shows a mobile interface for course selection. At the top, it says "Broadband Services Fundamentals for Business Leaders" with a page indicator "1/2" and navigation arrows. Below are four course cards, each with a video thumbnail, title, duration, rating, and "E-Learning" icon:

- Broadband Services Fundamentals**: EN | 52m 00s, ★ 5.0
- Funding for Broadband Services**: EN | 47m 00s, ★ 5.0
- Design for Broadband Services**: EN | 52m 00s, ★ 5.0
- Build for Broadband Services**: EN | 44m 00s, ★ 5.0

Begin a Course

Click **START LEARNING NOW** to begin.

The screenshot shows a web interface for starting a course. The breadcrumb trail is "Home > Broadband Services Fundamentals". The main content area has a large "START LEARNING NOW" button. On the right, a sidebar shows course details: "Broadband Services Fundamentals ID: E7VR5X1" and "0 / 7 lessons completed". A red box highlights the "START LEARNING NOW" button in the sidebar. Below the sidebar, a list of lessons is visible:

- Introduction: The Role of the Broadband Service Provider eLearning
- The Five Stages of Building a Broadband Network eLearning
- The Broadband Network: How it works eLearning
- Types of Connectivity: Coax vs. Wireless vs. Fiber eLearning
- Before Funding: The Feasibility Study eLearning
- You Don't Have to Go it Alone: Partners That Can Help eLearning

At the bottom, a message says "Click Start Learning Now to begin your course".
